Md 31920^{TS}

Abdominal pelvic belt grey, prevents sliding down, one size, fastening on the back of the seat by means of a buckle which must be opened with two hands.

Purpose:

- prevent the patient from sinking into the wheelchair or care seat
- provide support so that the patient can adopt a good sitting posture
- increase patient safety and prevent the patient from falling by immobilising in the wheelchair or care seat.
- To be used for mentally confused persons, who are not aggressive.

Quality: 1065, permanently flame retardant, breathable and moisture-repellent material, Washable at 60°C and tumble-dryer proof. Short drying time at low temperature.

Washing instructions for quality 1010 and 1065:

1. *Washing* Wash separately at 60°C with little detergent.
2. *Rinse* DON'T ADD FABRIC CONDITIONER.
3. *Dry* Dry very briefly at low temperature in the dryer or hang to dry.
Do not dry together with moisture-retaining textiles (like cotton,...).
