

Anti-scratch mittens

Scratch mittens to prevent people from scratching, pulling out catheters or taking off incontinence materials. These are made of a comfortable material and can be washed easily.
Quality 1065: Breathable, moisture-repellent and flame-retardant anti-tear material.

Md 272^{TS}

Anti-scratch mitten with double velcro fastening around the wrist, extra stuffing in the palm of the hand and elastic with safety clasp, per pair.

Washing instructions for quality 1065:

1. *Washing* Wash separately at 60°C with little detergent.
2. *Rinse* DO NOT ADD FABRIC CONDITIONER.
3. *Dry* Dry very briefly at low temperature in the dryer or hang to dry.
Do not dry together with moisture-retaining textiles (like cotton,...).
